Next Meeting:
Next club meeting is **Monday, May 4th** at 7pm. Banquet room is open at 5pm.

Location:
Round Table Pizza
14940 Camden Avenue (Corner of Union and Camden Ave)
San Jose, CA 95128
(408) 371-9550

• **Speaker of the Month:**  **Mike Milne**
Sea Turtle Conservationist Mike Milne will discuss the past, present and future of leatherback sea turtles in the Pacific Ocean. Leatherbacks have survived in our oceans for millions of years, but in the last 25 years their population has decreased by ~ 90%. Can the Pacific leatherback population recover and is there enough genetic diversity in the remaining population to buffer against future threats? Come learn about how humans impact Pacific leatherback turtles and how you can help save this magnificent species!
**SVTTC Meeting Agenda: Joseph Alvarado**

I. Introductions  
II. Treasurer’s Report  
III. Adoption Coordinator’s Report  
IV. Executive Board Meeting Report  
V. Announcements  
  - Fundraisers  
    - Round Table Pizza  
    - Heating Pads, Tortoise Food & Calcium  
  - Committees to be Established  
    - Veterinarian Roster  
    - Club Logo  
    - Outings & Shows  
      (i.e., Turtle BBQ, Vasona Turtle Walk & Reptile Shows)  
  - Executive Board meeting April 11, 2009  
VI. Presentation  
VII. Adjourn

The next meeting is Monday, June 1, 2009 at 7:00 pm, same location.

**Executive Board Meeting Report: Robert Shields**

Robert and Philip went to the Executive Board Meeting on April 11th. Robert will be giving us an up to date report on the status of some projects and conservation efforts that the CTTC and its local chapters are working on. Also, the CTTC has asked each and every chapter to donate funds towards the “Snapper Turtle Relocation Project”.

**“Gus” the Galapagos Tortoise’s Birthday Party**

SVTTC members Terry and Nadia Burtz of Campbell have invited everyone over to their house to celebrate one of their Galapagos tortoise’s Birthdays. Gus will be 25 years old. He only weighs about 400+ pounds. The date will be August 8th and times will be established, as we get closer. Come join them for some BBQ and refreshments. They have many tortoises, which include Galapagos Tortoises, Aldabra Tortoises, Sulcata’s, and a Leopard Tortoise looking for a girlfriend.

Stay tuned for more info.

**CTTC Conservation info:**

The CTTC is working on a couple different projects that reflect the California Desert Tortoise. Please visit [www.tortoise.org](http://www.tortoise.org) for up to date info.

**YAHOO Groups:**

The SVTTC is now on Yahoo Groups. Setiva has started a group for everyone to talk about local events. Here is the link to the site: [http://groups.yahoo.com/group/SVCTTC](http://groups.yahoo.com/group/SVCTTC)
• **CTTC Snapper Turtle Relocation Program:**
  The CTTC and several other local chapters are working together to help relocate Common Snappers and Alligator Snappers out of the state. The California Department of Fish and Game has a zero tolerance for these species and any and all snappers taken in must be relocated out of state to educational institutes, breeders or rehabilitators. Robert Shields from the SVTTC will be helping coordinate any and all efforts for Northern California. The biggest trouble to this program is expense due to shipping. Funding has been offered for Alligator Snappers, but the Common Snappers are more plentiful and not in demand. With this, all shipping and care cost come from the CTTC and its local chapters. The CTTC has asked all its chapters to make a donation to the CTTC to establish a working fund. If you would like to make a donation on behalf of the Snapper Relocation program, please contact one of the SVTTC officers.

• **Upcoming Events:**

• **Having Dinner at Round Table Pizza?**
  Attached to this email (end of newsletter) is a print out for those who will be eating at Round Table Pizza. 15% of all club member sales go back to the club. Please print out the form and bring with you. If you forget, see Kevin in the meeting room before purchasing a meal. If possible, please turn in receipts to Joseph so we can keep track of the money spent as well.

• **Are you a Club Member?**
  You **do not** have to be a member to attend the meeting. If you would like to join the SVTTC, membership fee is $20/yr and you can signup at the meeting or request a membership form by emailing tortoisehome@yahoo.com and mailing to the address on the form. Benefits of being a member include an endless source of information, meet new friends with common interest, bi-monthly Tortuga Gazette Newsletter, ability to adopt through the CTTC Adoption program, receive discounts to businesses or shows when offered and have a lot of fun.

• **Committee Members Needed!!!**
  The SVTTC Board is looking for a group of individuals to coordinate some projects. These projects include the following:
  - **Logo Design**
  - **Show/Event Coordinator**
  - **Veterinarian Listings**

• **Adoptions:**
  These are the turtles/tortoises that I currently have taken in for adoption.

  Sulcata Male 19” in length  
  Sulcata Male 17” in length  
  Juvenile California Desert Tortoises  
  Red Ear Sliders (Dianne)

  *Adoptions is looking for donations of Food/Water bowls, Heat Bulbs and Adhesive back heat pads. Local Pet Store Gift Cards welcome.*

• **Adoptions/Animals taken in and/or placed to date:**
  *Last month adoptions:*
  - 7 Juvenile Desert Tortoises
  - 2 sub adult Desert Tortoises
  - 2 Adult Red Ear Sliders
  - 2 Hatchling Red Ear Sliders

- **Club Donation Drawing:**
  The club will be having a drawing to raise money for adoptions and club events. Raffle tickets are $1.00 each. We have a large assortment of food, filters and misc. items donated by several vendors.

- **Would you like a free Raffle Ticket?**
  We are going to try each month to give you some information on a particular species of Turtle or Tortoise throughout the world and if you can guess what the species is, write down the answer on a blank piece of paper with your name and email info on it. When you come to the club meeting, turn these sheets into Robert. If correct, you will get a free raffle ticket towards one of our great drawing of prizes we have.
Here is the Trivia Question:

What Species of Turtle / Tortoise Am I?
Clues:
1. This species of Turtle/Tortoise is in the Testudinidae Family and the Geochelone Genus. It has been mistakenly placed in the Astrochelys family in the past.
2. The Adult size range from 12-16” in length and can weigh as much as 35lbs
3. This particular species is native to regions within Madagascar and introduced to surrounding islands.
4. This species is an herbivore
5. Is a member of the Cities Appendix 1 that prohibits importation/exportation.
6. Natives call this tortoise” Sokakes”
7. This tortoise holds the record for having the longest lived tortoise at 188 years of age
8. Pet Retail Price average $800-8000.00
9. This species of Turtle/Tortoise was placed on the SSP or Species Survival plan in 1985 and is closely tracked by a studbook for Genetics.
10. This tortoise prefers dry regions of brush, thorn (Diderae) forest and woodlands.
11. Average lifespan is 40-50 years in captivity

What species or Turtle or Tortoise am I? _______________________

Answer to last months Trivia question was: Elongated Tortoise

**Do you have a Veterinarian that you use?**

Do you have a Veterinarian that you recommend for your turtle or tortoise? The SVTTC is putting together a list of recommended Veterinarians who specialize in Reptiles, Turtles and Tortoises in case someone within the club or outside the club needs a Vet. We are looking for Veterinarians who have specific knowledge about Aquatic Turtles, Box Turtles and Tortoises. If you have a Vet that you have worked with in the past and were very happy with their customer service, knowledge and care please email Kevin Norred at **Tortoisehome@yahoo.com**. We appreciate any feedback. Please title your email in the subject header “**Recommended Vets**”

**Future Newsletters:**

If you have an article that you would like to contribute to the SVTTC or maybe write something that you may have experienced or an exciting tip, we are looking to add some fun stuff to the monthly newsletter. Please no copyrighted info.

California Turtle & Tortoise Club is run by volunteers and we greatly appreciate your help. Thank you for your support.

Please contact CITC if you are interested in forming a CITC chapter in your area.
Membership Benefits

California Turtle & Tortoise Club members enjoy the following benefits and privileges:

- Subscription to the *Tortuga Gazette*, the CTTC newsletter featuring articles on turtle and tortoise health, care, conservation, Club activities, and other turtle-related stories and news items.

- Regular Chapter meetings with programs featuring guest speakers, video and slide presentations, question-and-answer sessions, and a chance to socialize and share information with other Club members.

- Access to turtle and tortoise care and adoption information at the meetings. Some Chapters have extensive books and video lending libraries.

- Ability to participate in Chapter activities such as shows and exhibits, field trips, and symposia, and to vote in Chapter elections.

- Knowledge that they are supporting CTTC’s turtle and tortoise rescue, adoption, conservation and public education programs.

The California Turtle & Tortoise Club Executive Board coordinates Club-wide activities and prints CTTC publications. The mailing address for the CTTC Executive Board and the *Tortuga Gazette* Editorial Office is:

**Post Office Box 7300**
**Van Nuys, California 91409-7300**

Since 1964, Promoting and Facilitating the Care, Rescue and Adoption of Native and Non-native Turtle Species.

ADOPTION APPLICATION

Name ________________________________________________________________

Address STREET _______________________________________________________

CITY ___________________________________________________________________________________

Telephone: Day __________________________ Night __________________________

E-mail: ________________________________________________________________

Residence type: House ☐; Condo ☐; Apartment ☐; Other ____________________

What type of turtle/tortoise do you wish to adopt (only one per application)?

What size? Hatchling ☐; Juvenile ☐; Adult male ☐; Adult female ☐

Are you willing to adopt a desert tortoise that has had upper respiratory tract disease? Yes ☐; No ☐

Do you currently have a turtle/tortoise? If so, please list species:

________________________________________________________________________

________________________________________________________________________

Have you had a turtle/tortoise in the past? Yes ☐; No ☐ If yes, what kind and what happened to it?

________________________________________________________________________

________________________________________________________________________

Why do you want to adopt a turtle/tortoise?

________________________________________________________________________

________________________________________________________________________

How many children are in your household? _______ List ages

Do they realize turtles/tortoises should not be handled any more than necessary and not by young children? Have you considered the impact children playing in the yard will have on the turtle/tortoise?

How many dogs do you have? _____ Will the turtle/tortoise be in the same area? Yes ☐; No ☐

Many dogs behave well around turtles/tortoises but biting and chewing are common instincts dogs have that are dangerous to turtles/tortoises. Dogs must not be left unattended with turtles.

Will the turtle/tortoise be kept indoors ☐; or outdoors? ☐

How large is the area?

Do you have a swimming pool? Yes ☐; No ☐. If yes, is the pool fenced to prevent a turtle/tortoise from falling in? Yes ☐; No ☐

Is your yard completely fenced? Yes ☐; No ☐; What kind of fencing?

Wooden or chain-link fences should have a barrier buried in the ground to stop a tortoise from digging out. Chain-link fences should have 12 inch high boards secured around the base to prevent a turtle/tortoise from seeing through and getting caught in the wire.

Is there a permanent barrier across the base of all gate openings? Yes ☐; No ☐

The barrier should be at least 12 inches high so that a turtle/tortoise cannot see through or climb over. The barrier should remain in place when the gate is open or closed.

Does each gate self close and latch securely? Yes ☐; No ☐

When closed, will the gate keep dogs out? Yes ☐; No ☐
